HOURS OF OPERATION: 8am - 5 pm* Mon - Fri**

The Stanislaus County Law Library is established under the authority of the California Business and Professions Code §§6300 - 6365. Your law library has been serving the local community since May 1893. It is funded by civil filing fees and open to the public. Although there are restrictions on checking books out, it is the mission of the Stanislaus County Law Library to provide access to legal information for the judiciary, members of the State Bar, public officials, and to all residents of the county for the purpose of education and research.

It is unlawful for library staff to help patrons interpret legal materials they read or to advise them how the law might apply to their situation. That kind of service constitutes the unauthorized practice of law. Primarily for that reason, our staff limits itself to advising you which legal materials we think might be helpful to you. The following web sites may serve that purpose also.
